

# TAKE A DEEP BREATH!

AWARD WINNING AIR PURIFIER  
DELIVERS CLEANER & HEALTHIER AIR

 LightAir

UNIQUE DESIGN FOR UNIQUE TECHNOLOGY

[www.lightair.com](http://www.lightair.com)

**LIGHTAIR OBJECTIVE** is to develop products that combines efficiency, design, functionality and ease of use in order to provide you with the most efficient, user friendly and healthy air purifier solution. LightAir cordially invites you to experience the LightAir IonFlow 50.

**LIGHTAIR IONFLOW 50** delivers with an eye catching beauty probably the healthiest air in the world. It offers an outstanding combination of efficient, silent, ozone free, energy saving and easy to use, economical operation that is at home in any environment - a perfect balance between blending in and standing out. The clean lines, slim silhouette and transparency offer you a stylish alternative to typical industrial-looking air purifiers. LightAir IonFlow 50 will nicely be part of your: home, office, hotel, restaurant, school, shop, medical clinic and more.

**RESEARCH & DEVELOPMENT** shows that LightAir IonFlow 50 in continuous operation is extremely effective eliminating the smallest airborne pollution particles (<math><0,1 \mu\text{m}</math>). These particles normally represent around 90% of all particles in the air and are considered to cause the most severe health problems. LightAir IonFlow 50 does not loose effect over time like filter based air purifiers do.

**LIGHTAIR NOW HELPS** a growing number of people suffering from asthma, allergies and other health problems such as fatigue, headache and concentration difficulties - problems which often stem from unhealthy indoor air quality.

## UNBEATABLE CONSUMER BENEFITS:

### • EFFECTIVE

Effectively removes practically all airborne pollution particles (size 0.01-1.0  $\mu\text{m}$ ), like from dust, smoke, pollen allergens, bacteria, viruses, fungus, mould, pet dander and more.

### • AWARD WINNING DESIGN

An object of desire! LightAir IonFlow 50 has earned several prestigious design awards, among others the International Design Excellence Awards 2007.

### • EASY TO USE, ASSEMBLE & MAINTAIN

Just plug in and let it work for you around the clock. Rapidly clean the collector in hot water and dish liquid when needed.

### • ECONOMICAL

Very low operating cost. No need to replace expensive filters.

### • ENERGY EFFICIENT

Runs on only 12V and uses less than 7W per hour, which is much less than most conventional air cleaners.

### • OZONE FREE

The ozone level is not even measurable and therefore considered to be equal to zero.

### • SILENT

Less than 5 dB. For reference; a level of 45 dB indoors is identified as preventing activity, causing interference and annoyance. Most other air purifiers have a noise level of 35-80 dB.

### • COMPACT

Small & moveable. Fits into any environment.

### • ENVIRONMENTALLY FRIENDLY

LightAir uses recyclable materials and comply with the RoHS directive.

PRODUCT SPECIFICATIONS			
	<b>LightAir IonFlow 50 Style</b>	<b>LightAir IonFlow 50 Surface</b>	<b>LightAir IonFlow 50 Sky</b>
PRODUCT NAME			
DIMENSIONS	7.5x26 inches/19x66 cm	7x22 inches/18x56 cm	4x14 inches/13x35 cm
WEIGHT (excl.adapter)	5.1lbs/2.3 Kg	4.2lbs/1.9 Kg	2.8lbs/1.4 Kg
MOUNTING	Handmade stand	Moulded stand	Ceiling fixture
ROOM SIZE	Up to 540 sq ft/50 m2	Up to 540 sq ft/50 m2	Up to 540 sq ft/50 m2
ENERGY CONSUMPTION	7W	7W	7W
NOISE LEVEL	Less than 5 dB	Less than 5 dB	Less than 5 dB
ELECTRIC CHARGE	12V	12V	12V
OZONE GENERATION	Not measurable and therefore equal to zero	Not measurable and therefore equal to zero	Not measurable and therefore equal to zero
